

# Athenian Academy of Pasco

"Our kids are worth whatever it takes." - Spence Rogers

## Website

Previously, our website was used as an information repository for parents, students and staff alike. Now, [www.athenianacademyofpasco.org](http://www.athenianacademyofpasco.org) is a community engagement tool - a way for people in the community and prospective families to learn about who we are and what we have to offer at Athenian Academy. Parent, student and staff resources and information are now located in a new, password-protected tool called **Schoology**, which is accessed through a login on our website's homepage.

## What Is Schoology?

Schoology (pronounced *school-ō-gē*) is an online tool that manages curriculum, assessments, grading and other classroom management tasks and is also a communication platform for educators and students in K-12. You will have an account that can be linked to your child's account. When you log in, you'll see a Facebook-like interface that links you to the Athenian Academy Schoology page as well as your child's classroom.

This tool will be an integral part of how teachers design and implement their lesson plans, assignments and grades. They will use it to post updates to their class and communicate with parents. You will be able to see what your child is working on and have access to his/her grades through Schoology, which has replaced Engrade/eSembler. This is also where you will find important forms, supply lists, school menus, etc.

## Schoology Mobile App

Schoology also has a convenient mobile app that you can download and use on your phones, tablets, and iPads! This app can be found in the [iTunes stores](#) and [Google Play](#).

## Initial Schoology Registration & Account Set-Up Instructions

1. In your browser, navigate to [www.schoology.com](http://www.schoology.com).
2. In the top right corner of the screen, click the Sign Up button.
3. Select **Parent** from the options
4. Enter the Access Code for your child.
5. Fill out the information for your new Schoology account (your email address and the password you want to use for your Schoology account) and click "Register."

### Note: If you have more than one child.

Click on the arrow in the top left corner by your name and select **+Add Child**. Enter in that child's code and they will now be linked to your account. You can link each child in your family to your account.

Be sure to visit our website for a video introduction & help guides!
