## FEATURED ARTICLE

### How do children spell LOVE?

To a child, LOVE is spelled TIME. *“The goal of every parent is to raise a happy and well-adjusted child. There are thousands of books which provide information and advice on raising children successfully. Experts in their respective fields strive to give parents the most up to date information whether it is about health, nutrition, child development, education, or parenting. However, one simple truth is often overlooked: Children from birth to adulthood need time and attention from their parents.”* Below are some ideas to build a strong, family foundation of trust, respect, and love:

- Set aside time for family meal time
- Spend time helping your child with homework
- Participate in hobbies with your child
- Play board, card, and other games with your child
- Get in the habit of reading to your younger children.
- Go shopping together or participate in outdoor activities together.

## ADMIN CORNER

*“Ohana means family. Family means nobody gets left behind or forgotten.”* Four years ago, the school earned a “D” rating and was in need of change. New administration was put in place by the school’s Governing Board to improve student learning and the school’s culture.

We set out on a mission 3 years ago to engage each and every student at our school. Since launching our student engagement initiative through cooperative learning, the results of the hard work by the team have been incredible. Athenian Academy earned a “B” rating during the 2016 – 2017 school year, another “B” rating during the 2017 – 2018 school year and now an “A” rating for the 2018 – 2019 school year! We are so proud of our team and kiddos on achieving an “A” school grade for the 2018 – 2019 school year, congratulations to all of our Athenian Family on this incredible achievement! This is an impressive accomplishment for any school, but especially a Title I school.

It’s been an amazing journey that we look forward to continuing as we develop our kiddos to be creative and innovative leaders by inspiring a love for learning through student engagement every day, all day. We just want to thank you for trusting us with your babies. It is such a joy to interact with our kiddos and families each and every day, we truly have the best jobs in the world! Thank you for being part of our Athenian Family, our ‘Ohana!
